SCENARIO SPECIAL RULES

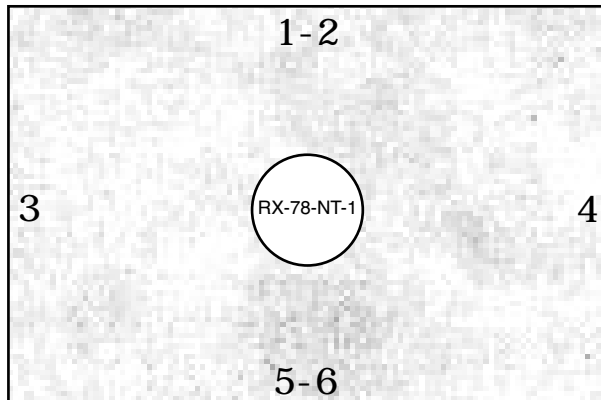

Random Forces - The enemy forces on the table are coming on in a random hap-hazard fashion. You can only roll for a new Random force, once the first Random force has been despatched or has been reduced to one unit.

SET-UP

1 This battle takes place in space, although enviroment can be switched for a earth-bound battle too. The RX-78-NT-1 is set-up in the centre of the table.

2 Give each table edge a number one through six, as shown on the set-up diagram.

3 The randomly rolled Zeon forces move on; on a randomly determined table edge.

GAME LENGTH

Unlimited - See Mission Objective

MISSION OBJECTIVE

This is a Simulator battle designed to test the limits of the RX-78-NT1 Gundam. There is no winning objective to this mission as the enemy keeps coming until the Gundam cannot fight anymore.

If you want to assign an objective, the Federation Commander will win if he destroys 10 or more Zeon Mobile Suits.

LINE OF RETREAT

Troops which are forced to fall back will do so towards the nearest board edge of their deployment zone, using the normal Fall Back rules.
