

MSG 0080 - WAR IN THE POCKET OVA - KAMPHER ATTACK

OVERVIEW

Cyclops team has commenced its attack on the Federation Research base. Your mission is to distract local and Federation Defense forces long enough for the rest of your team to get the job done.

EFF SCENARIO FORCES

The Federation Commander can only field Scarlet team (1000 points) of GM or Production Guncannon Mobile Suits only.

One pilot may be HQ level.

All other Pilots must be Troop level only.

ZEON SCENARIO FORCES

The Zeon Commander may take the Kampher, fully loaded and piloted by Misha from the Cyclops team.

SCENARIO SPECIAL RULES

None

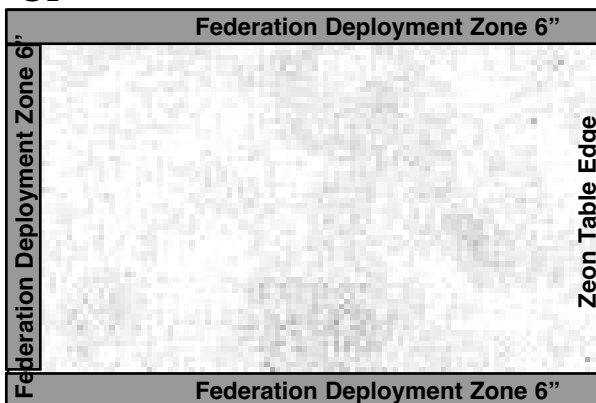

SET-UP

1 This Battle takes place inside the Colony. Set up the table with as much dense terrain as you can find. The scenario actually takes place in a cityscape. So use stacked books if you have to represent buildings.

2 The Federation Commander then sets up his forces on his table edges.

3 The Zeon Commander sets up his Kampher in his table edge.

4 The Zeon Commander goes first.

GAME LENGTH

Unlimited - See Mission Objective

MISSION OBJECTIVE

The Federation Commander must stop the Kampher.

The Zeon Commander must destroy the Scarlet Team, any other result counts as a defeat.

LINE OF RETREAT

Units which are forced to fall back will do so towards the nearest board edge of their deployment zone, using the normal Fall Back rules.
